The GDPR mentions a number of mandatory measures that we, as Hummingbird Hypnotherapy, must comply with because we record your data in client files. We will file your treatment. This is a legal obligation imposed by the WGBO (Medical Treatment Agreement Act).

Privacy statement

As of 25 May 2018, the General Data Protection Regulation (GDPR) applies. This is a new European privacy law. The GDPR mentions several mandatory measures that we, as Hummingbird Hypnotherapy must comply with because we record your data in client files. We will file your treatment. This is a legal obligation imposed by the WGBO (Medical Treatment Agreement Act).

Client file

Your data is stored in a paper client file, which is stored in a locked cupboard. It contains your name, address, zip code and place of residence. Your date of birth, telephone number, e-mail address and the details of the general practitioner. It also contains your treatment goal and further notes and details of the treatments.

invoicing

Hummingbird Hypnotherapy uses a digital file for invoicing, which contains the data requested by the health insurer, so that you can declare this note to your health insurer. Your name, address, and place of residence. Your date of birth, the date of treatment and as a description of the treatment 'Hypnotherapy consultation'. The cost of the consultation.

File obligation

Under the Medical Treatment Agreement Act (WGBO), Hummingbird Hypnotherapy **as a healthcare provider is** obliged to keep a medical record. We keep a file of notes of the sessions held and other relevant documents, which can be viewed by the client at his request.

If necessary, your file will include data that is necessary for your treatment and which, after your explicit consent, I have requested from another healthcare provider, for example from the general practitioner.

The rule for the retention of files is in the WGBO and is 20 years, calculated from the date of recording of each individual data.

Professional secrecy

Hummingbird Hypnotherapy **is subject** to a duty of confidentiality based on the professional code and the medical professional secrecy regulated by law.

Privacy

Data of the client will only be handed over or communicated to third parties (doctors and other therapists) with his explicit approval.

Hummingbird Hypnotherapy makes every effort to ensure your privacy.

Hummingbird Hypnotherapy handles your personal and medical data with care.

Hummingbird Hypnotherapy ensures that unauthorized persons do not have access to your data.

Hummingbird Hypnotherapy complies with the legal obligation of confidentiality (professional secrecy).

Hummingbird Hypnotherapy acts in accordance with the legal regulations.
